License/usage protections:	Public domain			
Name of the evaluator:	Edoardo Mascheroni			
Score legend:	*High / 3 points*	*Good / 2 points*	*Low / 1 point*	*N/A*

RELEVANCE

How important is the content of the OER to our learning objective?

Score:		2		
Notes:	The text is very interesting and deals with a central theme for the teaching of foreign languages, namely the development of oral production. however, although it is a very useful text in the on it is closely related to the new electronic register.			

ACCURACY

How correct is the content of the OER? Is the information up to date? Is the form (spelling, grammar) correct?

Score:	3			
Notes:	The text is accurate, complete with references and citations, and up to date.			

QUALITY

Consider the technical quality of the OER in terms of graphic layout, audio/video quality, clarity of exposition.

Score:	3			
Notes:	The text is written in a purely academic/university style, therefore very			

Open Education Resources: evaluation checklist

Notes:	precise.			

ACCESSIBILITY				
Is the OER free? Is it easy to access from the web? Is it possible to download it? Is it possible to edit it? Is it possible to convert it to another format?				
Score:		2		
Notes:	The text is free, accessible and easily found on the internet.			

ENGAGEMENT				
How attractive is the OER to a learner? It's interesting? Does it catch the attention or is it boring?				
Score:			1	
Notes:	Given the characteristics of the (academic) text, it is not very engaging, indeed it could be a bit boring unless you have a great interest in the subject matter.			

ADA COMPLIANCE				
Is the OER accessible for disabled people? If text, is a screen reader accessible and easy to use? If video/audio, is closed captioned or transcripts available?				
Score:	3			
Notes:	The text is written in open PdF and easily accessible by all.			

TOTAL SCORE: 14/18

Final and general comment:	Although it is not strictly related to filling in the new electronic register, it is accurate and up-to-date in its information and has key content for young foreign language teachers.
